OH&S Policy

The Organization, LINK SHIPPING & MANAGEMENT SYSTEM PVT. LTD. is committed to implement and comply with all OH&S legislation and associated regulations, in the field of Floating Crane Operations. We will endeavor to keep our Floating Crane Operations incident free by providing appropriate training and monitoring the implementation of safety methods and precautions.

We are committed to and will ensure that all our employees are competent to carry out their duties, fully aware of their responsibility and how their individual activity will contribute to continual improvement of OH&S performance.

We will ensure that OH&S policy is implemented, maintained, communicated to all employees and understood at all levels and functions in the organization.

Our OH&S Objectives and Targets will be established, maintained and periodically reviewed for achievement and to ensure it is relevant and appropriate for the organization, once in six months in every management review meeting.

Our OH&S Policy will be displayed at prominent locations so as to be easily available to our customers and general public.
